**The Israeli Druze** – The Druze are followers of a secret religion. They have lived in the Land of Israel since the sixteenth century. In the Israeli War of Independence the Druze fought alongside their Jewish brothers and sisters. The Druze minority has continued to distinguish themselves in Israel's army. They live in villages on Mount Carmel and the Galilee. Today, there are some 85,000 Druze Israelis in Israel.

This campaign to use cartoons in the fight against anti-Semitism needs your help. Make checks payable to Dry Bones Project and send to POB 32356, Tel Aviv 61323, Israel. [www.mrdrybones.com](http://www.mrdrybones.com)
