

SHE'S INDIAN & JEWISH ...AND SHE'S AN ISRAELI.

Indian Israelis- Thousands of Indian Jews live in Israel. They belong to three groups: the Bene-Israel of Maharashtra ; the Cochin Jews; and the Baghdadi Jews. A small number of a fourth group have arrived in Israel. They are the "Bnei Menashe" of Mizoram who claim to be a "lost tribe" of Israel. At present there are about 70,000 Indian Jewish Israelis in Israel.

This campaign to use cartoons in the fight against anti-Semitism needs your help.
